Dear Former Member/Friend:

It is again that time of year when we ask for your support of our Alumni Club. Past members and friends of the Wabana Boys & Girls Club are the people who help us keep our doors open and a full slate of programming for another generation of members.

Please help us let these members cultivate warm memories of our club like those that many of you have remembered over the years. Without your continued support we would not be able to carry out many of the programs.

We are hoping that by the end of the month to have our new webpage up and running, so our supporters will be able to see what's happening at our club. And we ask that if you should run into a past member who does not know about our Alumni Club, please mention that they can contact us if they would like to become an Alumni Member.

Thanking you in advance for your continued support and helping us make the Wabana Boys & Girls Club, A Good Place Be.

Sincerely,

Leona Ezekiel
Executive Director
